LOOK WHAT'S AHEAD

Lafayette Weekend is approaching nigh and amid the mass confusion which usually reigns there is some well organized entertainment planned for Gryphons and their fair damsels. Following the long awaited football game there will be a cavalcade to some not-to-distant eating house of Pennsylvania Dutch origin. At 8:00 o'clock begins what will probably be the highlight of the weekend, the party, featuring live and recorded music, refreshments, food and fireplace type atmosphere. Whether dual or single, we entreat everyone to join the festivities.

COUNSELOR SELECTION

The procedure for selection of new counselors is in its final stages or preparation. All counselors should be thinking of people in their section who they feel have potential for counseling. Forms will be ready for distribution immediately after Thanksgiving.

SCHOLARSHIPS

All counselors who have scholarship men in their sections, please report to me on their progress this week. I would like a written report on those who received valentines and those who are not maintaining a respectable average.

Bob Bierley, (Box 906)

SPORTS PREVIEWS AND POSTVIEWS

The following people are reminded that they are running in the Turkey Trot: Bill Bradbury, John Keiser, Bob Pritchard, Ralph Engler and Jim Perneski. All other Gryphons are requested to come out and cheer these five on to victory.

Reminder: If interested in volleyball or boxing, see Jim Perneski, Box 393.

The Gryphon Society lost to M-M A-2 by 12-0 and ended up 2-4-1 for the year.

Jim would like to thank all the fellows who participated in football in anyway, "we'll have better luck next year."

D.P. and Jim Perneski
